PRESS RELEASE **November 30, 2011**

On Saturday, November 26, 2011 at 6:50pm, deputies of the Lake County Sheriff's Office were dispatched to 11111 Quail Hollow Dr. in Concord Township, Ohio for a Burglary report. The investigation revealed that sometime between the hours of 5:30pm and 6:45pm person(s) unknown had entered this unlocked residence, had rifled through interior contents, and removed jewelry valued at approx. \$47,000.00 from the home. Anyone having information on this burglary is asked to contact the Lake County Sheriff's Office (440)350-5620.

During the Holiday Season that is upon us we encourage all residents to take extra care to secure your residences when you leave, no matter how short the period of time you are gone from your residence. Taking precautions such as making sure that your residences are well lit, working with your neighbors to keep an eye on each other's homes when not home, keeping your doors and windows locked at night, keeping vehicles parked in your driveways locked and secured, as well as properly securing your valuables in safe locations that are not easily accessible will help to keep thieves and burglars from being attracted to your residences. Especially during this time of year thieves are looking for easy access to cash, and items that can be quickly made into cash. You are the best asset available in making sure you are not the next victim of a burglary.
